

The Benevolent Society, the charitable society of the British Allied Trades Federation, provides support, in the form of annual bursaries, for those who are either studying, or wish to obtain further skills/qualifications. The area of study should be within an area pertinent to either beginning their careers in the industry sectors covered by the National Association of Jewellers, British Travelgoods and Accessories Association, The Giftware Association, the Jewellery Distributors' Association and the Surface Engineering Association, or career progression within these sectors.

## Guidelines & criteria for assessment for an award

**Award amount:** up to: £9,000.00 for one candidate

**Eligibility:**

1. Candidate must be aged between 21 - 35 at 1<sup>st</sup> September in the year of entry to chosen area of study/course (the Trustees will consider applications outside of this age limit in extenuating circumstances)
2. Permanent UK resident
3. Candidate anticipates working in the allied trades covered by the BATF\* after graduation

**Application:**

1. Application in writing
2. Recommendation from Trade Association
3. Award paid on a termly basis to the provider at the start of each term by BACS

**Conditions:**

1. Applications to be reviewed by The Benevolent Society committee
2. Recipient acknowledges award at end of year degree/diploma show if appropriate and agrees to participate in publicity and PR. Recipient also agrees to provide regular quarterly or termly updates to the trustees throughout their year of study.
3. The Applicant agrees to reimburse The Benevolent Society in full, if they do not complete the course.
4. BATF reserve the right to withdraw this bursary should the applicant not fulfil the conditions.

\*The British Allied Trades Federation Benevolent Society assists those who used to work in the industry sectors covered by the British Allied Trades Federation e.g. Manufacturing, wholesaling, importing and distribution of precious and non-precious jewellery and accessories, silverware, and watches and clocks, giftware, luggage, leather goods and handbags, surface engineering and allied trades.
